Electric cars threaten Philippine Forest

A mine that supplies nickel for the batteries that power electric vehicles is on the verge of a major expansion into a pristine rainforest.

PALAWAN – Jeminda Bartolome spends her days at the foot of a lush mountain range tending to her rice paddies. A mother of six, she leads a group of farmers and members of the Indigenous Palawan tribe who believe the crop is endowed with a human soul.

“That,” she said on a recent afternoon pointing toward her farmland, “is our source of livelihood.”

Bartolome, 56, lives in one of the most biodiverse

places on earth, a stunning island that draws legions of tourists to its crystal blue waters and pristine nature reserves. But these days, her livelihood, and the ancient rainforest system it depends on, are increasingly under threat.

The raw nickel dug out of the ground here ends up in the lithium batteries of plug-in vehicles manufactured by Tesla, Toyota and other automakers.

Digging up the earth

The town of Bataraza boomed. One of its main high schools, supermarkets and municipal buildings all carry the name Rio Tuba.

Philippines gambles on E-sabong for revenue

Strangers and friends alike are now hooked on e-sabong, the online version of that age-old national obsession bequeathed to us by the Spaniards.

Men, young and old; happy or depressed; rich or poor are joining the craze – which grew exponentially since the pandemic struck – from the comforts of their homes or through neighborhood off-track betting stations.

Atong Ang, the biggest

e-sabong operator in the country, says there are now five million Filipinos who are into the game, perhaps easily surpassing the traditional version. And the number continues to grow.

There are now seven e-sabong operators as of this writing, says gaming regulator Philippine Amusement and Gaming Corp. (Pagcor) showed. But the actual number may be higher because there are unregistered operators.

And if you just look at the anecdotal evidence, just about everybody knows

AJ Raval will have breast implants removed

Sexy actress AJ Raval recently revealed going under the knife. This, to make her breasts look larger. She shared this during a recent press conference, relating how she got breast implants only last year. According to her, it was a decision she made after someone suggested that she do so.

“Hindi po ako nag-iisip that time. Na-excite po ako masyado,” she said about it.

But now, AJ is planning to have it removed, relating she’s now uncomfortable with it.

”Naging happy naman po ako pero ang dami ko pa rin realizations and I’m planning na ipatanggal ko next year. I’m planning po, kasi last year, nagpa-enhance po ako ng boobs. Ayoko pong magsinungaling natural na po sa akin yun. Pero planning po ako na ipatanggal next year. Gusto ko pong magkaroon ng freedom sa sarili ko,” was how she put it.

”Before kasi, hindi naman ako nako-conscious sa boobs ko. Pero ever since na ipinalagay po, dun po ako nag-start na ma-conscious. Planning po ako next year na ipatanggal.”

She nearly quit but Heaven Peralejo finishes college

Heaven Peralejo has finally finished her bachelor’s degree in business management despite her previous plans to no longer finish her studies.

The actress announced that she is now a college graduate by showing her graduation photo on her Instagram page. Peralejo earned her degree from Southville International School Affiliated with

Foreign Universities. “Graduate! I honestly never thought magagawa ko could do it,” she said. “Although I have to admit, finishing school never really crossed my mind anymore since I’m already earning.”

Despite these initial thoughts, Peralejo’s mother insisted that she finish her studies since a career as an actress can “disappear anytime.”

“My mom kept on reminding me (more on to the nagging side na) pasok ang litanya, ‘Ang pagaartista pwedeng mawala anytime. Pero kung nakatapos ka, pwede mong magamit ito to change career,’” she recalled. Peralejo thanked her family. She also expressed her gratitude to her teachers and friends for being her inspiration.

“The lessons and insights that this journey has imparted in me have made it much more memorable,” she added. “Through it all, and what lies ahead — I am very grateful and blessed. Thank you, Lord. Lahat ng ito (All of this) [is] because of you!”

Peralejo was congratulated by fellow celebrities.

‘Bawal lumabas muna’: Kim Chiu urges followers, be responsible

Kim Chiu urged her followers to stay inside their homes, especially when there’s really no need for them to go out amid the surge of COVID-19 cases nationwide.

Chiu made the appeal on Instagram while also sharing that some of her own friends and loved ones are currently infected by the coronavirus.

“For me, some of my friends, loved ones are infected by #omicron. I hope and pray that this will be the beginning of the end. Keep safe everyone #Bawal-

Lumabas bahay muna, pahinga from all the parties and vacation that we had,” she said. Chiu also reminded those who have any of the COVID-19 symptoms to quickly isolate in order to prevent the spread of the virus.

“If you have any of the symptoms please isolate na kaagad para ‘di mahawa ‘yung mga kasama nyo sa bahay. More than anything we really have to be responsible. Kaya natin to.”

For Chiu, staying at home this time around could be a good opportunity “to reflect, reset, eat healthy, exercise, drink your vitamins and plan for the rest of the days of 2022.”

Nakita ko na pareho pala kami ni John Arcilla! – Cindy Miranda

SUPER fan pala ng premyadong aktor na si John Arcilla ang beauty queen-turned-actress na si Cindy Miranda.

Aminado ang dalaga na kinikilig siya sa unang araw palang ng lock-in shoot nila para sa pelikulang “Reroute.”

“I came from a shooting before Reroute so hindi ko alam kung ready ako. Tinatanong ko sarili ko kung ready ba akong makipagsabayang kina John Arcilla, Sid Lucero and Nanthalie Hart and wala naman akong choice kasi ang ganda ng script,” kuwento ng aktres.

At ang natutunan ni Cindy sa dalawang batikang aktor, “Si sir John Arcilla po at si kuya Sid ay magkaibigang-magkaiba po sila ng personality and how they prepare sa set. Si John Arcilla po pareho kami sa set, seryoso, naka-isolate before the scene.

“Nakita ko na pareho pala kami ni John Arcilla kasi nasasabihan ako na very serious ako sa set kasi I don’t really talk

sa set. Hindi ako nakikipag kuwentuhan kasi in character nap o ako at ayaw kong ma distract.

“With kuya Sid naman sobrang makuwento na eventually magre-relax ka rin.

“But I saw myself kay John Arcilla, very seryoso siyang aktor talagang naka-isolate, prepared siya reading his script and he really wants to know what gonna happen,” pagkukumpara ni Cindy sa dalawang aktor.

Gretchen Ho disgusted by malicious comments about her picture with NBA players

TV5 sports reporter Gretchen Ho is disappointed at some unsavory comments from netizens when posing with NBA players.

Gretchen’s latest selfie is with NBA player Stephen Curry.

A netizen comments, “Hey Gretchen, I hope you’re doing well. Advice ko lang

sayo is don’t ride the C*CK CAROUSEL okay? It will damage you emotionally and mentally.”

Geez. When you take fan photos with NBA players, why do people immediately assume something happened?

I have gotten this so many times. TV host Cesca Litton can relate.

“I hosted an event with an international celeb guest a while back and someone posted a comment on the pic saying “k*n*nt*t mo yan?”.

“Some people really think they get a free pass for saying disgusting things if it’s on the internet. Their time will come.”

Tugon ni Gretchen: “Grabe diba? I’m sure this happens more often than people notice. Ang lala at ang bastos.

Hindi pa tatapusin ang longest running drama and action series ng ABS-CBN at ang maganda nito ay mag-aabot sila ng “Darna” series na ipalalabas na sa unang quarter ng 2022.

Beauty mabenta sa mga bagets

Marami ang nakakapansin na hindi tumatanda si Beauty Gonzalez.

Sa halip ay pabata nang pabata ang kanyang hitsura.

Kaya naman hindi halata ang age gap nila ng leading man niya sa first Kapuso project niya na si Kelvin Miranda.

Nag-click nang husto ang tamalan nina Beauty and Kelvin sa Stories from the Heart: Loving Miss Brigitte na inere noong September.

May tawag na nga sa loveteam nila – KelTy. At ang tawag naman sa fandom nila ay KelTy Community.

Sa sobrang lakas ng KelTy tandem, hayun at may pelikula na ang dalawa. Bibida sila sa “After All” (working title) to be directed by Adolf Alix, Jr.

Kamakailan nga ay ipinost ni Beauty ang teaser photo nila ni Kelvin. Sa caption, she wrote, “Do You Really Want to Live Forever? #AfterAll.”

Nagkagulo agad ang kanilang fans at sobrang kinilig ang mga ito sa sweet photo

ang dalawa.

“Omg! Kilig much thank you po miss B & kuya kelvin for making us happy and proud more projects and blessings to come po cant wait to meet YNA & JOSEPH #KELTYCOMMUNITY,” komento ng isang fan.

“Yieeeee nakakalig sobra#KELTYCOMMUNITY,” reaksiyon naman ng isa pang avid fan.

“I soooo love the chemistry. It’s like taking a break from the typical love team we have in

showbiz industry. You both together again for another project feels like an escape.

This such a beautiful news to me,” pahayag ng isa pang supporter.

Marami rin ang nagre-request na i-remake nila ang hit Korean drama na Something In the Rain na May-December affair ang tema.

Eight years ang age gap nina Kelvin at Beauty pero dahil nga young-looking ang aktres, hindi ito pansinin at parang magka-edad lang sila.

SCARBOROUGH CIVIC CENTRE

Once elected, they get rich and we stay poor. 🧐😏😏

“There are no permanent enemies, and no permanent friends, only permanent interests”

Let’s copy Vico Sotto

Vico Sotto said he is not going to endorse anyone this election. Obviously, he is not going to say who he is going to vote for. He said his family have different political preferences.

While Filipinos abroad, are also holding candidate campaigns with caravans and gatherings, let us not fight over which politician we are rooting for. Let’s not get carried away by cutting friendships because of this. Let’s use our common sense. Once they get elected, they will get rich while we here in Toronto will remain poor. People in the Philippines will also remain poor. No change. Let’s join the caravans, have fun, see friends, get out, eat, and be happy. It’s good for our health

to socialize.

Let’s decide which campaign we are going to attend by picking which one will have better food to offer. Ehesus Guinoo ni Roxanne. Fiesta yata nasa isip ko. 😊

Breaking-up, Kris Aquino style

Kris Aquino has given millions of couples around the world on how to break up. It’s not either party’s fault. You can now say, “I’m worried about my health. I’m giving you your release papers,” something to that effect. It’s the equivalent of not renewing the contract of an artista. Hindi ba? Of course, Kris did say she initiated it.

Don’t ask personal questions

Ang mga artista, uutot lang, ilalagay pa sa social media, like instagram, sa facebook, twitter, tiktok at iba pa. Now, Maxene Magalona has an instagram account, Napansin ng followers na tinanggal niya married name niya. Tapos nagsulat ng mga posting na very poetic. Mga artista, nagiging poet para mag-isip ang followers. Tapos kapag tinanong mo, “don’t ask personal questions” if you do not know the person personally ang sagot sa mga nag-uusisa. Huwag na nga pansinin. Pa mysterious-mysterious writing pa. Hindi naman makata. Buwiset.

TWO OLD GUYS WERE SEATING ON A PARK BENCH.

Two old guys Bob aged 87 and Harry aged 80 were seating on a park bench. Bob had just finished his morning jog and wasn’t even short of breath. Harry was amazed at the guy’s stamina and asked him what he did to have so much energy.

Bob said, “Well, I eat rye bread every day. It keeps your energy level high and you’ll have great stamina with the ladies.”

So, on the way home Harry stopped at the bakery. As he was looking around, the sales assistant asked if he

needed any help.

He said, “Do you have any rye bread?” She said, “Yes, would you like some?” He said, “I want 5 loaves.”

She said, “My goodness, 5 loaves! By the time you get to the 3rd loaf, it’ll be hard.”

He replied, “I can’t believe everybody knows about this sh#t but me.”

KC Concepcion pens heartwarming birthday message to her “only mama” Sharon Cuneta

Actress KC Concepcion may not be on speaking terms again with megastar Sharon Cuneta as rumors have it but that didn’t stop her from greeting her mom on her 56th birthday, Jan. 6.

“January 6th has always been a special day. Happy birthday to the Queen! My first best friend, my first valentine, my only mama. May your day be filled with joy, laughter and love. I love you always, and no matter what,” KC wrote on Instagram.

On social media, Sharon celebrates her birthday today with a simple appreciation to her friends and supporters who greeted her and sent her gifts on her special day.

In June 2021, Sharon hinted about not being in good terms with daughter KC when a netizen asked the megastar about her.

“You have another daughter in LA,” a netizen commented.

Sharon replied: “Yes I HEARD! I wonder how she is and what she is doing?”

Ina hanep kiliti sa mga barako

Hanep ang ibinalandrang kaseksihan ng Kapuso actress na si Ina

Feleo. Ito ang makikita sa kanyang Instagram account.

Pasabog ang pa-sample niya ng alindog sa nasabing IG post. Animo ipini-flex ni Ina rito kung gaano siya ka-hot.

Pansinin ang kanyang wow na cleavage, yummy legs, at mala-bote ng softdrink na hugis ng katawan.

Lalong lumutang ang lakas ng kanyang sex appeal, sa suot na sexy two-piece bikini. Sadyang astig at lodi ang katawan ni Ina.

Ang ganyang porma ng aktres ang type pagpantasyahan ng mga kalalakihan. Kakaiba kasi ang hatid na kiliti sa mga barako.

Ang mga hottie na tulad niya ay itinuturing ng maraming boylet bilang pangromansa espesyal.

Catriona Gray convinces Beatrice Gomez to join pageants again

Miss Universe 2018 Catriona Gray influenced Miss Universe Philippines 2021 Beatrice Luigi Gomez to give pageants another chance.

Gomez, who placed second runner-up in Miss Mandaue in 2015, revealed Gray’s Miss Universe crowning moment inspired her to join pageants again. She disclosed

this while showing a throwback photo of herself with Gray on her Instagram Story.

“Happy birthday Queen! I remember the day you won Miss Universe 2018, I don’t really watch pageants but I watched your performance and I was in tears as people screamed when they announced you as the winner,” Gomez recalled. “I had a random thought of wanting to join pageants again.”

She then recounted enrolling in a workshop in 2019 and submitting her application for Binibining Cebu that same year.

“[By January] of 2020, I was crowned as the winner and you were there. I never really thought I’d be joining a prestigious national pageant such as [Miss Universe Philippines] and eventually represent the country at [Miss Universe] like you did,” she addressed Gray.

Gomez was crowned Miss Universe Philippines in September 2021 and representef the country in the global pageant last month. She ended her journey in Miss Universe as part of its top 5.

She had to undergo mandatory quarantine in Pasay City after her Miss Universe 2021 stint, but has since returned to her hometown Cebu City to help in relief efforts for typhoon Odette victims.

Rodante Marcoleta Advertises in ABS

He voted against renewal of ABS-CBN’s franchise.

Representative Rodante Marcoleta of Sagip Party-list was criticized after his political ad was shown in Kapamilya Online Live, a YouTube channel that has become the online version of ABS-CBN.

Marcoleta was among the most vocal lawmakers who opposed the franchise renewal of ABS-CBN in 2020.

Marcoleta is running for senator in the 2022 elections.

“Akala ko ba may nilabag na batas ang Kapamilya network kaya ipinasara nina Marcoleta. Ba’t may pa-ad siya?” said Jerry Gracio, who is running as a party-list representative.

Marcoleta Defends His Political Ads on ABS-CBN

According to Marcoleta, it was ABS-CBN’s choice to run his ads.

“The acceptance of the pol ad has nothing to do with its closure. First of all, it can reject our pol ad outright. It was its choice to make to begin with,” Marcoleta said in an interview with the Inquirer.

According to Marcoleta, he has no control over where his ads appear.

“I neither control nor supervise the works of our ad agency because they know their job well. I don’t decide on which networks to approach for the propagation of our political advocacies,” Marcoleta added.

Earlier in November 2021, Marcoleta made headlines after he suggested the Commission on Audit to inspect Meralco’s books and called for a review of the company’s legislative franchise, even if Meralco’s franchise allows it to operate for the next seven years.

Why Kris Aquino lost interest in Robin Padilla

It happened a long time ago, but veteran entertainment broadcaster Cristy Fermin recalled the time when Queen of All Media Kris Aquino and Robin Padilla were playing sweet music together.

In her daily radio show on Radyo Singko

on Jan. 5, Cristy tackled the failed relationship of Kris and Mel Sarmiento.

Then Cristy remembered the time when Kris and Robin went

on a date.

Cristy said that Kris got turned off with Robin when they went to a church in Pangasinan.

“Niyaya kami magsimba ni Kris sa Manaoag. Umuwi kami madaling-araw na. Nagsimba siya. Mayroon daw siyang hihilingin sa Manaoag, sabi ni Kris. Sumama naman si Robin.

“Sabi ni Kris, ‘I don’t like him na, he has no manners... inside the church he farted.’”

Cristy asked Robin: “Anak naman, ba’t sa loob ng simbahan, nadinig pa niya, umutot ka.”

Robin, now married to Mariel Rodriguez, said: “E ano gagawin ko, hirap na hirap na ako. Alangan namang pigilin ko ‘yung hangin.”

Kris Aquino vows to help more Filipinos in need

Former President Noyon Aquino III and sister Kris Aquino

On Christmas Day, Kris Aquino vowed to help more by putting fellow Filipinos in need first.

On Instagram, Kris said that she’s carrying a big responsibility these days because she’s the last one still carrying the names Cojuangco Aquino.

“Dapat ituloy ang pagbibigay ng tulong na walang hinihinging kapalit... tumatanaw lang po ako ng aming forever na utang na loob dahil sa nagawa ninyo nung nakaraan at tinutuloy pa rin hanggang ngayon: marami pa rin po ang

hindi nang iiwan at patuloy nagbibigay tiwala, nawala man ang gina ng pamilyang Cojuangco Aquino, ngayong 2021,” Kris said.

First on her list is Negros Occidental.

“My main reason why I chose Negros Occidental 1st: Bacolod was my last overnight trip with Noy, near the end of the 2016 campaign... by helping the province that gave him an overwhelming victory in 2010, I’m not only honoring his memory BUT in my own way, I’m trying to make up for my shortcomings sa kuya ko, in the way I know he’ll best appreciate-by putting our fellow Filipinos in need, first,” Kris also said.

Kris is the daughter of former President Corazon “Cory” Cojuangco Aquino who served as the 11th President of the Philippines from 1986 to 1992.

Her brother Benigno “Noyon” Aquino III became the 15th President of the Philippines from 2010 to 2016.

Kim Chiu’s Pain to blessing Experience

From bashing, it became a blessing,” said actress Kim Chiu as she recalls what happened after uploading “Bawal Lumabas” video in 2020, which eventually became viral and made her depressed.

“People said awful things to me. I developed fear of being around people I don’t know,” said Kim during a Q&A of her latest movie, “Huwag Kang Lalabas.”

“Looking back, I realized why this had to happen to me—I needed to fall down first—before I experienced all these blessings.

‘Meant to be’

Kim also said she was grateful that the “painful experience” brought her good things, that she actually gained from all the bashing. “I got to record a single, a TV series with ‘Bawal Lumabas’

as the title. Now, I’m here, promoting a film project titled ‘Huwag Kang Lalabas,’” Kim pointed out. As to how she handled all the negative comments, Kim said: “I don’t know these bashers, and so that was my edge over them. The mean things they say to me online don’t matter to me. My job as a host of ‘It’s Showtime’ helped me a lot, too.

It made me gain confidence. Also, it’s a Monday to Friday job, meaning I didn’t have time to dwell on the negative things that were happening.”

She further said: “I owe a lot to my supporters. They patronized all my TV programs and movies. They readily defended from bashers. As for me, I’ve learned to separate the negative

comments from the good ones.”

Former Kapamilya

Kim also addressed the recent buzz created by one of her Instagram posts, particularly a video showing an unidentified man taking down a portrait mounted on a wall in a corridor in ABS-CBN. This post has since been deleted. It turned out that it was the photo of former Kapamilya talent Bea Alonzo that was removed.

“T’yang Amy (Perez, ‘It’s Showtime’ cohost) and I just did it for fun.

“Bea and I don’t have any issue. I guess Direk Lauren (Dyogi, ABS-CBN head of TV productions) was right when he said, ‘Why did they have to remove the portrait in the middle of the day, anyway? When a lot of people could see?’ Napahamak tuloy ako!”

Sue ‘di na lalayas sa PH

Sue Ramirez is thenakful, even with the pandemic her projects keep coming. After ‘Oh My Dad’ last year, she’s in the tv sseries The Broken Marriage Vow this January.

“I’m very, very blessed. I’m just very, very grateful. May pandemic, peromaraming blessings. So, grateful talaga,” ani Sue.

Last year, her mom said’ “if she is not successful in her career, she’ll make her go home to America.”

Sa US kasi nakabase ang kanyang ina at solo living dito sa Pinas si Sue.

Pero, hindi raw siya aalis ng Pinas, “Hindi na ako aalis dito. Dito lang ako,” natatawa niyang sabi.

“Ang dami ko pang gustong gawin. Ang dami ko pang gustong matutunan. And ang dami-dami ko pang roles na gustong i-portray. So I’ll be here for quite a while pa. Hindi ako aalis. Ayokong umalis,” sey niya.

Sa The Broken Marriage Vow ay kasama ni Sue si Jodi Santamaria na talaga namang labis na ikina-excite ng aktres.

Kaya hindi siya makapaniwalala na kasama at kaeksena na niya ang paboritong aktres at sey niya, “it’s such an honor to be working with her.”

Yen Santos returns to Instagram

Controversial actress Yen Santos has finally ended her social media break.

On Christmas Eve, the 29-year-old sexy star uploaded a photo of her along with a Santa Claus display. “merry christmas (Santa Claus emoji),” her caption read.

Recall that some months ago, Yen cleared her Instagram feed after her name was dragged as the alleged third party and cause of the split of longtime couple LJ Reyes said Paolo Contis. Though the latter later cleared the allegations.

However, last month, netizens claimed that Yen celebrated her birthday over dinner with Paolo.

Is Liza Soberano pregnant?

There have been instances where young actresses surprised fans returning to the country with baby in tow following a long vacation abroad. Are we to count Liza Soberano among them soon?

The actress has been in the US for some time now, and speculations about her supposed pregnancy are rife.

The talk was further exacerbated with Liza sharing on social media photos and videos of her with boyfriend

Enrique Gil taken last Christmas.

Not a few netizens were quick to put malice about Liza wearing an oversized coat there, maintaining she was using it to hide her baby bump.

So, is she?

Her manager, Ogie Diaz, denied it altogether in a recent vlog.

He said: “Si Liza hindi po siya buntis pero magkasama po sila ni Quen sa US, kasama si Justin, yung brother ni Liza. Dinalaw nila ang lola nila.”

“Someday, dahil sila naman ni Enrique ay talagang mukhang hindi naman na mapaghihiwalay e, darating tayo diyan. But for now, it’s a no,” he added.

Brenda Mage apologizes for actions, words while inside ‘PBB’ house

Brenda Mage took to social media recently to apologize to those offended by his actions following his “Pinoy Big Brother (PBB)” stint.

On Facebook, the “It’s Showtime’s” Miss Q & A InterTALAKtic 2019 3rd runner-up wrote: “Lahat ng salita at aksyon ko ay sumasalamain sa aking pag-mumukha at pagkatao.. Kaya kung may nasaktan man ako sa mga nagawa ko i am Sorry... eto talaga ako eh... I am not MARITES but this is BRENDA MAGE ... Lablablab Godbless!”

In another post, he reiterated: “Pasensya na po talaga sa lahat ng nangyari.... Tao lang po (mukha lang hindi) nagkakamali.... Salamat po...”

Recall that last most, Brenda’s co-comedian Juliana Parizcova aired his wish that his friend would end his “PBB” journey and soon.

Then, Brenda was among those receiving huge amount of bashing from fans.

Note that during that time, Brenda’s “walang silbi puro ganda lang” statement as directed towards actress-singer Alexa Ilacad trended on different social media platforms.

Prior to that, Brenda also made headlines for his inappropriate joke directed towards Eian Rances and his privates.

“Pinoy Big Brother: Kumunity” celebrity housemate Shanaia Gomez is still in disbelief now that she’s in the “outside world.”

Gomez, a Rise artist, was the seventh evictee in the current season of the reality show. She was evicted together with Benedix Ramos.

“It’s so unreal. Like it’s so crazy until now, I still haven’t got used to the idea that I am in the outside world na talaga. Sometimes I forget na wala na akong lapel. Sometimes I feel that there are still cameras on the walls. It’s so crazy but I love being in the outside world. I am so happy, I’ve been so overwhelmed with this support in a great way,” Gomez said in Star Magic’s “Inside News.” “There are no words that can express how grateful and how happy I am. I really did not expect this at all,” she said, adding that reading reactions and comments from her fans and supporters made her cry.

Asked what she learned after she became a housemate, she said: “I’ve learned how to handle lots of different personalities. I learned to how to be with people. I never lived with anyone that wasn’t my family before. I learned a lot about myself as a person. Before entering Kuya’s house, I had no idea that the feelings of other people affect me as well,” said Gomez. “I started writing for the first time, some music,” she added

Prior to “PBB,” Gomez tried to enter

showbiz in 2016 through commercial modeling. The following year, she planned to try acting but her difficulty in the Filipino language hindered her at first.

Two years later, Gomez joined “Idol Philippines” where she reached the mid-rounds.

Darren Espanto pens sweet b-day message for Cassy Legaspi

Singer-actor Darren Espanto expressed gratitude to rumored girlfriend Cassy Legaspi, who recently turned 21.

According to him, the latter has been

with him through his highs and lows despite that “it takes a lot to deal with a Darren Espanto.” He wishes Cassy to continue being the “bad*ss” that she is.

“You’re one of the strongest women I’ve ever met and you never fail to impress us. You’re always there for your friends and family but I wish you’d set aside some time for yourself as well, ok? I’ve always got your back,” he said.

Darren also penned a message for Cassy’s twin brother, Mavy.

It read: “To my brother Maverick, a.k.a. Derek Zoolander, feels like that dance prod we did as 15 year olds was just yesterday and now you’re turning 21. Thank you for being our designated driver, always...dejk lang.

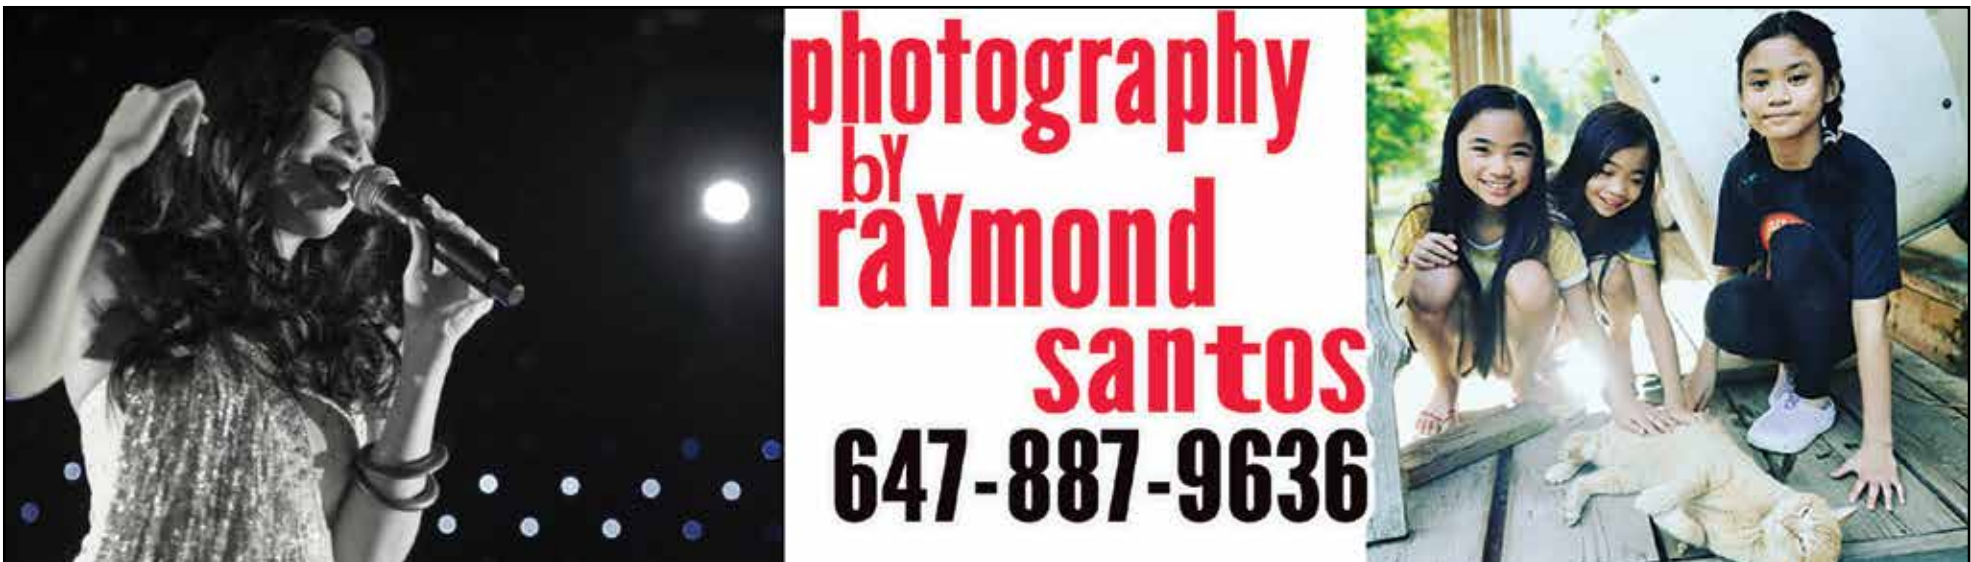

Thank you for being someone I can always count on. Always here for ya.”

The Kapamilya star reiterated how the twin Kapuso artists are the “most genuine” people he has ever met.

“Thank you for always being there, you two,” he told Cassy and Mavy.

“I’m happy that the things you guys only dreamt of doing before are all coming true and this is only the beginning! I wish y’all nothing but success and happiness always. Love you both!!!”

On his Instagram story, Darren also surprised Cassy with a cake and an online celebration.

Omicron Is not a ‘natural vaccine’

MANILA - DOH Undersecretary Maria Rosario Vergeire pointed out that Omicron is a virus and not a vaccine. She stressed that there is no room for complacency at this point even if initial studies suggest that this new coronavirus variant only causes mild symptoms.

“We must not be complacent even if the said variant only manifests mild symptoms. The World Health Organization (WHO) pronounced that the Omicron variant is still a virus and not a ‘natural’ vaccine,” she said. She also noted that the “more transmission, the more the virus can mutate and replicate.”

Vegeire said that the current COVID-19 vaccines are still considered the “best defense” against the illness as these lower the chances of getting severe or critical symptoms.

Vergeire made the statement in response to the claims of OCTA Research Group fellow and molecular biologist Fr. Nicanor Austriaco.

In a forum hosted by Go Negosyo Austria-co said that “Omicron actually acts as another booster, a natural vaccine,” citing data that was published recently.

Those who survived from Omicron infection will get “antibodies” that can protect them “not only against Omicron but against the Delta, Gamma, Beta, Alpha, and the D614G” coronavirus variants, said Austria-co. “We have to realize that Omicron is the beginning of an end of the pandemic because Omicron is going to provide the kind of population immunity that should stabilize our societies and should allow us to reopen after Omicron has begun,” he said.

“This is the hope and prayer, Omicron is actually a blessing, it will be hard for one month but afterwards, it should be a blessing because it should provide the population protection that we need everywhere,” he added.

COVID-19 continues to surprise the world

One thing is clear right now—the information about the virus that causes COVID-19 continues to evolve, said infectious disease expert Dr. Edsel Salvana, a member of the DOH-Technical Advisory Group (TAG).

“If there is one thing constant about COVID-19 and the SARS CoV-2 virus is that it has surprised us time and again,” he said.

“Lahat po ng dalubhasa, mahirap ho talagang i-predict— so huwag po tayong maging complacent at bakuna lang po tayo (All the experts, it’s really hard to predict— so let’s not be complacent and let’s get vaccinated) and continue to use our minimum health standards,” he added.

Dr. Anna Lisa Ong-Lim, who is also a DOH-TAG member, also supported the statement of Salvana.

“Siyempre gusto natin na ito na ‘yung pinakahuli, na wala nang susunod pang ibang variant. Unfortunately, hindi pa natin masasabi with certainty na ito na nga ang katapusan ng COVID (Of course, we want this to be the last— that no other variants will emerge. Unfortunately, we cannot say with certainty that this is the end of COVID),” she said.

“Mas maganda pa ring maging maingat, huwag sadyang magpahawa on the assumption na hindi na mahahawaan ulit ng iba pa at ipagpatuloy ang pag-iingat (It’s still better to be careful, don’t intentionally get infected on the assumption that you will not get infected again. Continue to be careful),” she added.

BRP Sierra Madre Will Stay

BRP Sierra Madre was intentionally ran aground in 1999 on Ayungin Shoal.

The Philippine government has no plans of removing the BRP Sierra Madre, a dilapidated outpost in Ayungin Shoal, despite China’s orders for its removal.

“We are not moving LT-57 or the BRP Sierra Madre, it has been there since 1999. It is a permanent government post manned by our AFP personnel and it is there as a haven for our fishermen who would go to the shoal,” Lt. Gen. Andres Centino said.

In 1999, the Philippine Navy intentionally ran aground the Sierra Madre on Ayungin Shoal to protect the Philippines’ sovereign rights in the area.

“It is used in monitoring the safety at sea and it is there for us to assert our sovereign rights considering that is within our exclusive economic zone (EEZ),” Centino added.

The Chinese coast guard regularly patrols the area to prevent the resupply missions for Filipino marines stationed on the rusty ship.

In November 2021, Chinese Coast Guard ships harassed and blocked two civilian boats resupplying Philippine marines stationed on Ayungin Shoal.

AJ Raval & Sean De Guzman’s friendship makes them comfortable in steamy scenes

Following the enormous success of “Taya,” Vivamax brings back the team up of director Roman Perez, Jr., hot actor Sean de Guzman and Viva’s newest queen of sexy movies, AJ Raval in “Hugas”. This romantic crime movie is set to stream on Jan. 14.

AJ Raval plays Liezl, a girl from the province, who is thrust into a crime syndicate led by Boss Dencio (Jay Manalo). Liezl’s Uncle Boyong (Soliman Cruz) is the one who introduces her to the gang. Whatever the boss wants her to do, Liezl does well. But when she marries Al, Liezl already wants out of the syndicate.

Sean de Guzman plays Al, a clever hitman. It’s the reason why he was taken in by Boss Dencio. The syndicate relies on him when they want people dead. Thanks to the syndicate, Al and Liezl met, but gratitude won’t make them stay. Al wants to start a new life with his wife and the only thing to do is for them to run away.

Carrying a big bag of cash, the couple flees from the gang, and thus begins a series of mishaps. Boss Dencio will chase them to the ends of the earth to get the money back.

Aside from the action scenes, erotic moments between Liezl and Al are to be expected from “Hugas”. This is the third time that AJ and Sean have worked together. Before “Taya”, there was “Nerisa”. Both have always been very vocal about how comfortable they are in doing delicate

scenes, so their fans are guaranteed to enjoy another round – or rounds – of steamy love scenes in this movie.

“Hugas” also stars Benj Manalo, Bob Jbeili, Cara Gonzales, and Joko Diaz.

To stream “Hugas”, go to web. vivamax.net or download the app and subscribe via Google Play Store, App Store, or Huawei App Gallery.

McCoy de Leon pens Elisse Joson short yet sweet birthday message

Actor McCoy de Leon made sure to mark the special day of his partner Elisse Joson, who is celebrating her 26th birthday Thursday.

De Leon took to Instagram to greet Joson a happy birthday with a short but sweet greeting: “I want all the best for you. Happy Birthday My Love!”

The celebrity couple also celebrated the holidays as a small family with the addition of their first child, Felize.

“Though our New Year’s Eve was spent differently and we missed our families so much, we’re still blessed to

be with each other to welcome the new year,” the actress said in an earlier post.

De Leon, 26, and Joson, 25, introduced their firstborn, Felize, in the October 31, 2021 episode of “Pinoy Big Brother,” the reality show where they first met and became romantically involved in 2016.

Despite welcoming a baby together, the pair is not in a rush to get married. In an interview with Push, de Leon admitted they have talked about it but they agreed on prioritizing baby Felize first.

“Lagi naming pinag-uusapan ni Elisse ‘yan. Pero lagi naming binabanggit sa sarili namin na dapat maging praktikal lang kami. Siyempre, ‘di rin biro ang manganak lalo na ngayon pandemya, kailangang mag-ipon,” he said.

Fans gush over ‘kilikili kiss’ of McCoy to Elisse on New Year’s Eve

“Siguro soon. Wala namang problema do’n. Darating din naman tayo do’n. Kailangan lang siguro talaga naming paghandaan yon,” he added.

For now, de Leon is keen on working harder to be able to provide for his family financially.

Diego Loyzaga & Barbie Imperial: Split na?

Netizens noticed that Diego has yet to upload new photos featuring his girlfriend, Barbie Imperial, during the recent holidays.

Last Christmas, Diego shared a photo celebrating the special occasion with the family of celebrity couple Billy Crawford and Coleen Garcia.

On New Year’s Day, Diego uploaded a solo picture of him as he greeted his followers.

Meanwhile, Barbie seemingly wrote a cryptic post, igniting the rumors.

Recently, she also uploaded a sexy snap of herself.

“new year new hair,” she wrote as caption. “jk happy new year everyone (heart emoji).”

Among the comments:

“San si bie? Magkagalit ba kayo? Kahit greetings niyo nung Christmas and now new year wala.. my probs po Ba kayo?”

“Bt wala si barbie? Magkagalit ba kayo Diego? Happy New Year”

Diego Loyzaga and Barbie Imperial’s respective posts on New Year’s Day (Instagram)

“Di naman siguro sila hiwalay ni barbs.. Baka choice nila. To spend Christmas and new year with fama nd friends”

The couple’s last post featuring each other was during their first-anniversary celebration a few weeks ago.

Despite the sweet gestures towards each other, some online users pointed out that Barbie “liked” a thegoodquote post on Instagram which read: “Losing attachment to someone who took you for granted hits different.”

Netizens started speculating that all is not well between the two stars.

Note that late last year, Barbie and Diego have been embroiled in different controversies.

In fact, online personality Xian Gaza slammed Barbie after she defended Diego from social media attacks.

Pandemic & Typhoon

According to some ‘virologists’, this omicron variant is the begining of the end of this virus. According to them, this omicron variant is infecting more people at a faster rate. Those infected will develop antiodies which will be resistant to new variants of this virus. Therefore, we might reach the herd imunity we are trying to achieve. According to them, this omicron is like a forest fire. Once all the trees have been burned, it will die on it’s own because there are no more trees to burn.

This is assuming wala nang variant. I want to believe they are right. Unfortunately, nabasa ko na may bago na namang variant na nakita sa France. So, please do not try to get infected in your belief na this omicron will give you antibodies. Meanwhile, last December, we managed to hold down some gatherings before the provincial government imposed capacity limits indoors and outdoors. It wasn’t easy to stop the gatherings. People are social animals. We crave the sight, if not touch of another human

being, in person. And halfway around the world in the Philippines, problems always come in droves. Just as cases of covid are rising again, comes a very powerful typhoon Odette which devastated lots of provinces in the Visayas region. Despite the diffiulty of sending help anyway we can, Filipino Achievers of Canada started a relief drive. Other groups are also doing their relief drive. Hang in there everyone. This too shall pass. We just don’t know when.

Cindy Miranda hinding-hindi makikipag-sex sa loob ng kotse: Baka mahuli pa ako, di ba?

NEVER, as in never daw gagawin ng sexy actress at dating beauty queen na si Cindy Miranda ang makipag-sex sa loob ng kotse.

Ito ang mariing sagot ng Viva Entertainment artist nang tanungin tungkol sa isang eksena nila ni Sid Lucero sa bago niyang pelikula under Viva Films, ang “Reroute”. Mag-asawa sina Cindy at Sid sa kuwento ng upcoming suspense-thriller ng Vivamax.

Sa trailer ng movie, ipinakita ang pagtatalik nina Cindy at Sid sa loob ng sasakyan hanggang sa may taong nakahuli sa kanilang ginagawa.

Natanong si Cindy kung kaya ba niyang gawin ang ginawa ng karakter niya.

Sagot ng dalaga, “May mga kaibigan akong nahuli, ginagawa yun sa car but, you know, I haven’t tried it and I don’t think I’m gonna try it.

“So far, hindi ko pa siya nata-try, pero sana, hindi ko gawin. Baka mahuli rin ako, di ba?” ang pahayag ni Cindy.

Aniya pa, “Feeling ko talaga bawal, kasi respect yun. Ayaw natin na magulo yung ibang tao kasi siyempre gumagalaw yung car.

“Nakaka-disturb yun sa ibang tao. Hindi naman lahat ng tao, pare-parehong mag-isip.

“May iba, conservative. May iba, very open to that. Yung iba, walang pakialam. Maybe, we respect na lang people and do it in private,” chika pa ng former beauty queen.

“I’m not against naman sa mga taong gumagawa nun. Sometimes, it’s just for fun. Sometimes, you just need it,” diin pa niya.

‘Let It Go’: AiAi delas Alas fulfills dream to become Elsa

Kapuso comedienne AiAi de las Alas

turned into “Frozen” character Elsa for her followers.

In her Tiktok account, AiAi posted a video of her wearing Elsa’s costume on the snow for her followers to enjoy.

“O natupad din nyeta ang lamig hahahaha pero laban sa larangan ni elsa hahahahaa,” AiAi captioned the post.

The comedienne said she really waited for the snow for her to experience it for the first time.

“Actually, noong Christmas ko pa hinihintay ang pag-ulan ng yelo kaya bumili ako ng wig at costume ni Elsa, pero hindi natuloy ang pag-snow. Ang sabi sa weather forecast, sa January 9 pa uulan ng yelo, e, nasa Los Angeles ako sa date na ‘yun kaya nawalan na ako ng pag-asa,” AiAi said.

“Pero kanina, biglang umulan ng yelo. Hindi ko talaga pinalampas kahit sobrang lamig dahil -2 ang temperature. Hindi ko masyadong ininda ‘yung lamig dahil sobrang excited ako, pero tatlong patong ang suot kong damit,” she added.

AiAi also admitted that her dance in the snow was not easy at all.

“Kinakabahan ako kasi baka madulas ako. Baka mabagok ang ulo ko kaya hindi ako masyadong makagalaw, puro kamay lang. Hindi ko naman pinangarap na naging Elsa nga ako pero injured naman,” she said.

“Naglagay rin ako ng alkamporado sa likod dahil baka malamigan ako at magkasakit. Marami nga akong views pero may sakit naman ako? Pagpasok ko ng bahay, basang-basa ang laylayan ng gown ko, as in tubig talaga. Ang galing, naging tanga na naman ako!”

Janine Gutierrez, Paulo Avelino grilled about rumored romance

Nalagay sa hot seat sina Janine Gutierrez, 32, at Paulo Avelino, 33, na napababalitang totooan na ang pagsinta sa isa’t isa.

Gumaganap silang mag-asawa sa Kapamilya prime-time series na Marry Me, Marry You, na nagsimulang umere noong September 2021 at magtatapos sa February 2022. Ngayong Martes, January 4, parehong panay ang ngiti nina Janine at Paulo nang humarap sila sa presscon ng Marry Me, Marry You.

Nang tanungin tungkol sa estado ng kanilang relasyon ngayon, umiwas si Janine at ibinaling ang topic sa co-stars na sina Cherry Pie Picache at Edu Manzano na naging magkasintahan habang nagkatrabaho sa serye.

“Hahaha! Gusto ko lang sumagot na lahat kami naiinggit kay Miss Pie at kay Tito Edu pag nakikita namin sila magkasama.

“Walang tatalo sa ka-sweet-an nila kasi. Tsaka talagang tinakasan nila today,” saad ni Janine.

Absent kasi sa presscon sina Cherry Pie at Edu.

Si Janine ay panay pa rin ang ngiti. Nang tanungin na baka may pagpaparamdam na si Paulo pero deadma si Janine, biglang sumang-ayon ang aktor.

“Ganun po,” ani Paulo. Tila kontra ni Janine, “Uy!”

Pero kahit anong tanong sa dalawa ay tikom ang bibig nila kung may pagtingin sila sa isa’t isa.

‘Please stop asking me:’ Maxene Magalona pleads amid rumored split from husband

Is Maxene Magalona and her husband Rob Mananquil breaking up? This after netizens noticed that Maxene dropped the surname of her husband on Instagram.

What added to the fire was the fact that

the couple is not following each other’s respective social media accounts.

She said then it is not polite to ask people about other’s personal lives. “Especially when you don’t know them personally,” Maxene said. “And even if you do know them, you should give them space and wait for them to open up to you instead of prying and wanting to invade their privacy,” she added.

Maxene and Rob tied the knot in January 2018 via a back-to-back intimate church ceremony and beach wedding.

Last March, Maxene flew back to Manila alone after living in Bali with her husband for more than a year.

'Hello, Love, Goodbye' 'Originally LizQuen 'yan e!' - Olivia Lamasan

Naikwento ni Olivia Lamasan na orihinal na para sa tamabalang Liza Soberano at Enrique Gil o 'LizQuen' ang pelikulang 'Hello, Love, Goodbye.'
Isa ito sa mga naisiwalat ni Direk Olivia Lamasan sa interview sa kanya ni Toni Gonzaga na kanyang ibinahagi sa kanyang YouTube channel.
Nalaman ng KAMI na dahil sa problema sa schedule, gayung gumaganap pa bilang 'Darna' si Liza, sunod nilang naisip ang real-life couple na Kathryn Bernardo at Daniel Padilla.
'Originally LizQuen 'yan e. LizQuen then it became Kathryn-DJ, and then Kathryn Alden.'
Noong panahon ding iyon, tinipon niya ang kanyang creative team kung saan bigla na lamang din niyang naisip na gumawa ng bagong OFW movie na susunod sa 'Milan' at sa 'Anak' na talagang tuamtak sa puso ng maraming Pilipino.

'What's our next Milan? What's our next 'Anak' what's our next OFW story?' hanggang sa tuluyan na nilang nabuo ang konsepto ng patok na pelikula noong 2019.
Marami ang nagulat sa tamabalang Kathryn at Alden sa naturang pelikula ngunit mas marami ang nagulat dahil sa husay ng pagganap ng mga aktor na bagaman hindi talaga isang love team, nabigyan ng hustisya ang pagganap sa isang obra na nakaantig sa puso ng maraming Pilipino.
Si Olivia M. Lamasan ay isang batikang direktor sa

larangan ng pelikula at telebisyon.
Dati siyang head of ABS-CBN's creative department at ngayon siya ang managing director ng ABS-CBN Film Productions, Inc.
What Janine said on being among world's '100 Most Beautiful Faces'
Actress Janine Gutierrez is flattered to be part of the world's "100 Most Beautiful Faces" in 2021, an international list driven by social media.
During the finale press conference of ABS-CBN series "Marry Me, Marry You," Gutierrez gushed over being named as one of the prettiest women on the planet, ranking 78th in the list.
'I think pinakamaganda naman talaga ang Pilipina and I'm honored, I guess," she said on Tuesday.
The actress tried to downplay the recognition by explaining that having a happy heart makes one beautiful.
'It really has to come from the inside na masaya ka and you also make the people around you happy,' Gutierrez quipped.
Also included in the list are Kapamilya actresses Ivana Alawi and Liza Soberano.

Sofia Andres reminds public to wear mask, drink vitamins after recovering from COVID-19
Kapamilya actress Sofia Andres reminded the public to observe safety precautions as she recovered from COVID-19.

'After 10 days ... finally I'm negative. Please wear your mask, be kind, drink your vitamins, eat healthy & love yourself,' the actress said in the caption.
'What a way to start 2022. I know it's not easy spending New Year's alone but we have more days & years ahead of us. Be strong,' she added.
Last December, Andres and her partner Daniel Miranda took time off from work for a family vacation abroad. As seen in their Instagram updates, Andres and Miranda went to Spain with their daughter Zoe.
The actress was the latest addition to the growing list of celebrities who have contracted the virus. Miss Universe 2015 Pia Wurtzbach and volleyball icon Alyssa Valdez have both revealed that they tested positive for COVID-19.

'I've learned a lot from her'

Shanaia Gomez talks about acting for the first time with Belle Mariano

Former PBB Kumunity housemate Shanaia Gomez makes her acting debut in 'Click, Like, Share.'

S

After joining Pinoy Big Brother: Kumunity Season 10 last year where she was introduced as “Ang Rising Darling ng Quezon City,”

Shanaia Gomez talked about her first acting project in the latest season of Click, Like, Share where she plays the role of Belle Mariano's sister in the episode.

"I loved working with Belle. She's so great. She's so fun and I feel like I learned a lot from her. Especially because this is my first acting experience and I'm with Belle. She's super talented so *siguro* one thing that was a memorable moment is just watching her work is already enough for me. Just like watching her do her thing. It was really great," she revealed during the Click, Like, Share presscon.

Coming straight from the popular reality show where she was evicted last month, Shanaia said she made sure to prepare herself mentally for her first project in showbiz.

“Well I think that I really did of course. I was told to always ask for help when I need help. If I need guidance, I know that I have people there

to guide me. Of course I want to do my best. I want to try my best for everything and yun lang, I just asked for help.

Kahit sa Tagalog din nahirapan ako (laughs). But

of course it's
such a great ex-
perience espe-
cially with

direk Andoy
(Ran- ay) and
working with
different actors.

I just feel really
grateful and
blessed. I feel
like it really comes with

experience so I'm really blessed
at this is the project that I got.
Working with direk Andoy was a
really great experience. I loved

it so much and sana there are more coming soon," she explained.

In their episode, Shanaia and Belle wake up one day having swapped bodies and discover new things about their lives not seen on social media.

"I think it's really relevant ngayon kasi naman everything is online."

You see posts of these people online and you think they have a perfect life, ganun.

So it's a really great way to understand that things really aren't what they seem. And it

talks about valuing your family and why family is so important which I think is a great thing to talk about,"

she admitted.

Click, Like, Share streams on iWantTFC starting January 12. With new episodes available every Wednesday, 8 pm. Starring Belle Mariano and Shanaia Gomez. Directed by Andoy Ranay.

Chie Filomeno is Ginebra's calendar girl 2022

Just after leaving the "Pinoy Big Brother" house, actress Chie Filomeno continued her roll as she was named the 2022 calendar girl of Filipino liquor brand Ginebra San Miguel. Filomeno, evicted from the reality series 2 week ago, was welcomed on Wednesday virtually by the Ginebra nation as its new face for next year.

SANIB-SAYA

This followed her inclusion in the upcoming ABS-CBN series "Love In 40 Days", starring Loisa Andalio and Ronnie Alonte.

According to the Kapamilya actress, she was shocked when she learned about getting chosen as the newest ambassadress of the famous alcoholic brand in the country.

"Overwhelming siya. 'Yung moment na na-overwhelm ako at the same time nervous in a good way, and happy. And 'yung feeling na I am one of the girls na napili or women na napili for the calendar, super happy," said Filomeno.

She said that she immediately increased her workout schedules from every other day to every day just to be prepared for the new endorsement.

"It's more than just being sexy. I want to be strong also. 'Yun talaga 'yung mentality ko. It's not about being sexy. It's being strong and also

of said the media "I inspire what

taking care of your inside," the actress explained.

Asked about her feistiness, Filomeno said she has to be strong against her bashers, especially on social media.

"Kung ano 'yung nakikita nila sa social media, 'yun na 'yun. We are public figures but we're not public property. For me, I have to be feisty. Hindi nila dapat kami matapakan kasi tao rin kami. I am a strong woman in a good way naman," she said.

With a combined following of more than 6 million on TikTok, Instagram, and Twitter, Filomeno, who is a fan of Gin Kings player LA Tenorio, it was important during pandemic to put such social influence to good use.

use it in a positive way, to people, because that is we all need right now.

We should use our influence to inspire and give hope. That has been my goal," Filomeno said.

Meanwhile, GSMI National Sales and Marketing Manager Allan Mercado lauded the personality of the former PBB housemate, characterizing her as a modern Filipina that personifies the brand values.

Chie Filomeno shares message of thanks for PBB's Kuya

"Chie Filomeno is a modern woman who is passionate in her work as a model, vlogger, youth influencer, and actress. Ginebra San Miguel chose her because she embodies the attributes that our products stand for - a modern Filipina who personifies our brand attributes of being 'matapang,' 'ganado,' and having that 'never-say-die' attitude," Mercado said.

Filomeno joined the likes of Anne Curtis, Solenn Huessaff, Marian Rivera, and Pia Wurtzbach in the elite group of women who have graced the calendar pages of Ginebra.

Marvin Agustin moves on following cochinitillo furor

Marvin Agustin welcomed the New Year brimming with positivity following the commotion involving his cochinitillo business. On Instagram, he wrote: “Happy new year

everyone! We live and we learn to fight another day. We are roasting now your COCHI orders. We have prepared and gave our all to make everything good. Enjoy the COCHI we all worked hard for to give

you a delicious experience.” “Moving forward, after this holiday. We will go back to our old-style of operations that we won’t be able to arrange delivery anymore for our customers, as this is not our core competency.” He noted how the quality of their cochinitillo is best enjoyed straight from the oven, and that delivery condition is something beyond their control. “While other customer’s experiences of traveling as far as Bataan and Batangas, hav-

ing our COCHI reached to their addresses with quality they love and enjoy. That may not be the case for others,” he related. “We give instructions what to do but we don’t know what happens during the travel time.” “We thank you all for your continued trust and support. God bless all of us! We wish everyone a peaceful, healthy and happy 2022!” Note that Marvin experienced his “worst Christmas” with customers complaining about his cochinitillo not being up to par. The actor was quick to apologize.

Winners all: What Charo learned from young costars Daniel and Rans

Seasoned actress and film producer Charo Santos-Concio believes that one can learn a thing or two from working with younger actors. In her case, with Daniel Padilla and Rans Rifol, her costars in Carlo Francisco Manatad’s dramatic film “Wheth-

er the Weather is Fine” (Kun Maupay it Panahon). More candor “These young actors, they’re not really so self-conscious. They have more candor compared to the more experienced ones,” said Charo, who won best actress for her portrayal of the character Norma in the film. Daniel bagged a Special Jury Prize, while Rans took home the best supporting actress award. The film was declared second best picture winner during the MMFF 2021 Gabi ng

Parangal. “They are also less afraid. When asked to describe Daniel some more while they were on the set, Charo said: “He is a very pleasant person. He is easy to work with and is very professional.” Multitasking She continued: “I found it funny when, once, I saw his reaction to how I delivered my lines in Waray. He said he spent some years in Tacloban when he was young and he would hear his

mom and grandmother speak the language, but he would still buckle with his lines.” “Acting on this film requires multitasking. You have to be conscious of how to pronounce the words correctly, as well as take note of the intonation and emotion” When it came to talk about new actress Rans, Charo said: “She’s good. She didn’t appear intimidated by Daniel and me. Nakasabay siya [sa amin]! She knew what she had to do. She understood her character, Andrea, really well.”

Gary Valenciano recounts time a doctor said he'd only live until 44 'Living on His time'

Gary Valenciano, 57, looked back at the time when his doctor told him he would only live until 44 years old, and he is beyond grateful to have lived longer than expected. The singer, known as Mr. Pure Energy, opened up about the time he was diagnosed with type 1 diabetes in his interview with TV host Toni Gonzaga. Valenciano recalled getting his diagnosis at the age of 14 and how the news was delivered to his mother. "Binanggit ng doktor sa nanay ko, 'Mrs. Valenciano, a type 1 diabetic is given an average life span of 30 years from the day of diagnosis.' I was 14," he

narrated. "So if you do the math, when I got to 44, [dapat] wala na or maybe I got to 48, but may problema na sa mata and nerve endings." Valenciano then added he is proud for reaching age 57, but he believes he is not living on "borrowed time." "I'm not ashamed to tell people how old I am," he admitted. "Because I'm not living on borrowed time. I'm living on His time." Aside from his

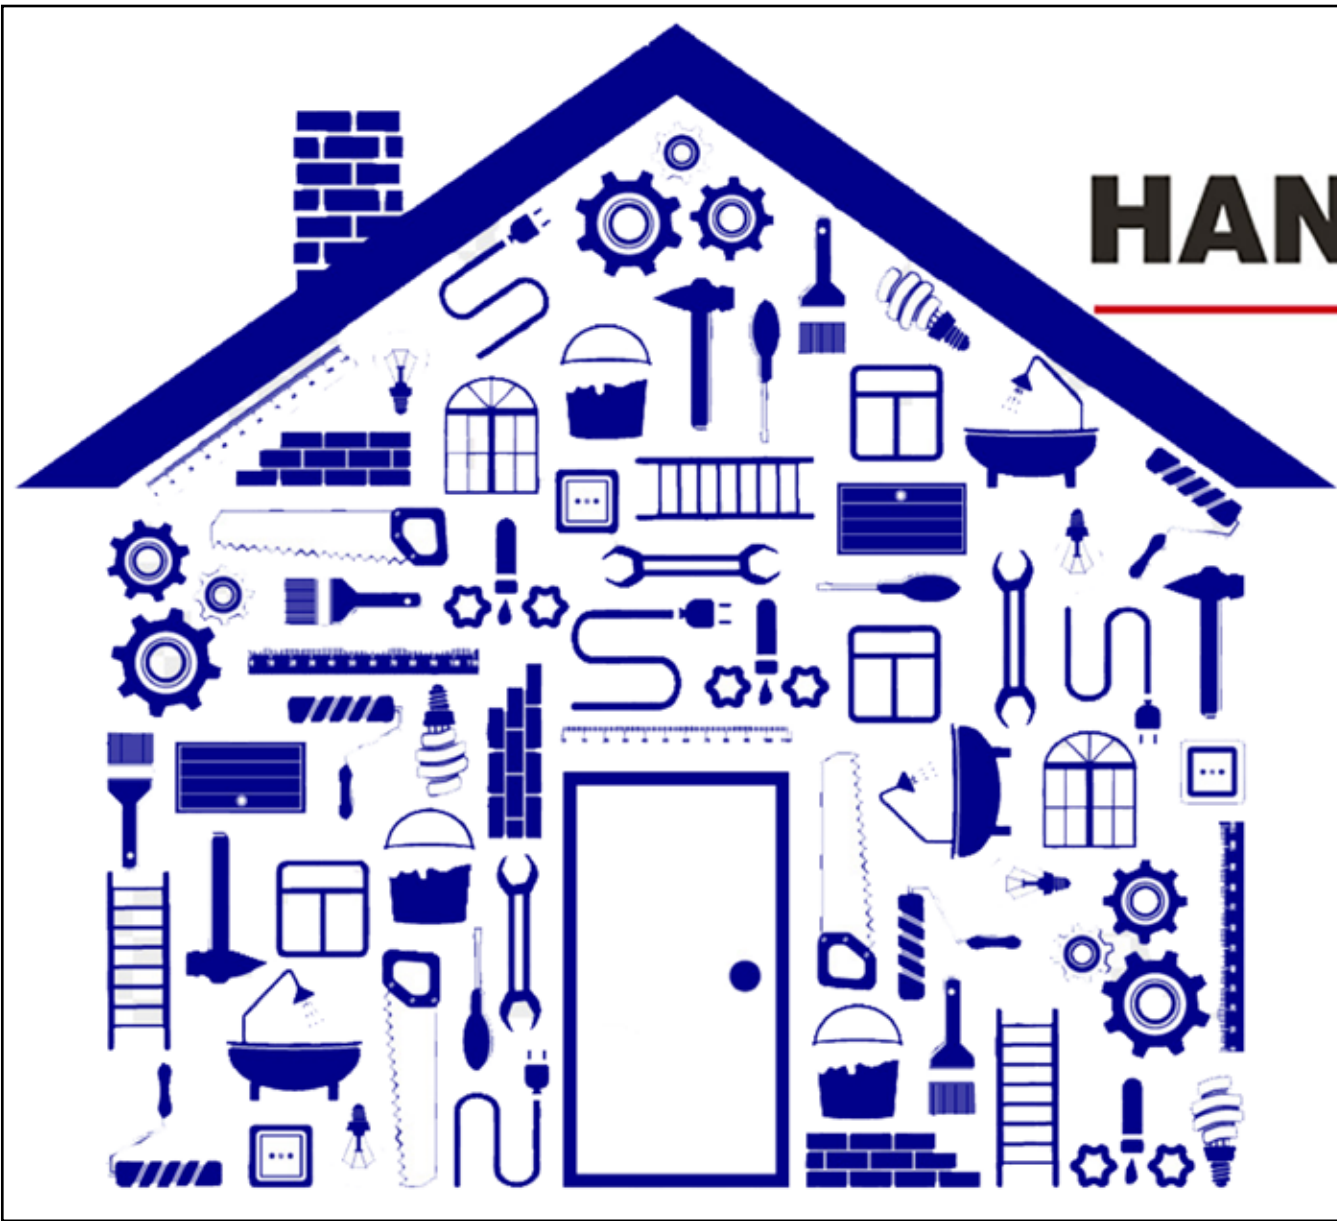

diabetes, Valenciano also talked about his early days in show business, becoming a father, reconnecting with God, and how it shaped him as a performer. "Every time I do 'Take Me Out of the Dark,' it's never a performance. I'm speaking based on experience. I'm singing based on truth that I want to share with others," he told Gonzaga. Aside from type 1 diabetes, Valenciano also faced various other health problems including tuberculosis, hepatitis, an open heart surgery and kidney cancer. Despite this, he is still grateful for the life he has. "It's in one word that I should no longer have: life," he said. "It's just that I'm thankful for the life I have today."

Joey de Leon on Ruby Rodriguez: 'Kilala pa kaya nya tayo?'

Pauleen Luna-Sotto took to social media to greet her best friend former "Eat Bulaga" co-host Ruby Rodriguez who is now based in the US. "I lived my best single years because of YOU! May it be our adventures abroad or just simply lounging in Mapangakit with dusters on. THANK YOU "You may be far in distance but will always be in my heart (as in andito ka lang sa Pinas) i love you my bff @rodriguezruby ! Happy happy birthday!!!!" wrote Pauleen on Instagram. But it was the comment of another "EB" co-host Joey de Leon tha caught the attention of some netizens. "Marunong pa kaya si Ruby magtagalog? Kilala pa kaya nya tayo? Well, Maligayang Kaarawan is Happy Birthday in case you know!" commented Joey on the post of Pauleen. Other celebrities Iza Calzado, Allan K and RR Enriquez also greeted the former actress-TV host. In May 2021, Ruby Rodriguez confirmed she decided to leave "EB" to stay with her family in the US. Ruby revealed then that Vic Sotto and Pauleen were the first ones to learn that she's leaving for the US.

She also said that she misses her Dabarkads in the longest-running noontime show on Philippine television. Ruby said she needed to stay longer in the US because she has to take care of her son AJ who has special needs. "My husband and kids have been citizens here for over 10 years. Hindi lang po ako nagpe-permanent stay. Hindi ko ito ikinahihiya and I am very proud of it, my son is a special student. Meron pa siyang rare na auto-immune disease na ang tinitira ay ang kidneys. It is very rare. (I haven't decided on the status of my residency here. I am not ashamed that I have a son who is a special student. He has rare auto-immune disease which hits the kidney). "We're trying to avoid that he gets a kidney transplant because he's too young to get that. Family first and it's my son. Kaya ako nag-ta-trabaho para sa mga anak ko lalung-lalo na sa kanya para kay AJ. (My son needs me here. That's why I work hard for my kids, especially for AJ)," said Ruby in May.

Is Belle Mariano ready to be paired up with different actor?

Breakout star Belle Mariano's career is definitely on the rise with the back-to-back success of her projects with on-screen partner Donny Pangilinan in 2021. But is she willing to be paired with a different actor? She appeared to be firm about sticking with Pangilinan as her only love team partner in showbiz when asked during the presscon of her upcoming episode on "Click, Like, Share" sans the actor. "Right now, I can't see myself being paired up with anyone else," Mariano said. Since the meteoric success of "He's Into Her" and record-breaking movie "Love Is Color Blind," Mariano will be seen, for the first time on screen without Pangilinan as she stars in the episode "Swap" with Shanaia Gomez in "Click, Like, Share." The young actress explained that working in a show without the other is not an issue for them. She

also appreciated working with other actors to help her grow as an artist. "Nasanay ako since several projects I've done with him. But now, I'm also happy that I get to this project with my co-Rise artists and meet new actors as well. I get to learn as well. Natutuwa ako to be given this opportunity," Mariano further said. Aside from the series, Mariano is also gearing up for her first-ever solo concert "Daylight" on January 29 via KTX.ph. Mariano's album and digital concert are among the many career milestones she marked in the past year alone, alongside her first lead roles in a series and a movie with Pangilinan. The showbiz breakthrough comes after a long wait for Mariano, who has been acting for nearly a decade, dating back to her "Goin' Bulilit" stint in 2012.

CHILDREN, from page 1

child is this? Where's the guardian?" "Wala? (Not here?)" There was another kid there and he said, "That's my sibling." "Where's your father?" "Sir, he's in the cockpit." "What about your mother?" Well, she might be busy being a 'Marites' and gossiping with the neighbors. And they have six or seven children. So, I had the father called and I told him, "P***** i**, if you don't stop having children, I'll cut off your penis," Duterte said. He urged Filipinos to do family planning so they can give their children a good life.

"But seriously, just limit your children to two or three. There are family planning centers here. Just ask for the... You just need to drink it. This isn't for the men, OK? This isn't for erectile dysfunction. It's for women so they don't get pregnant. Don't have too many children," Duterte said. "I get frustrated over this, when I step down from the presidency, I'll look at the Philippines and tell you not to have too many children. I feel sorry for them. I feel sorry looking at children growing up with a hard life and they find it difficult to pay for their education or to buy food. Just

have enough," he said. The President then asked the audience who among them have six children, noting how some Filipinos defy advice when it comes to family planning. "Who among you here has six children? Looks like someone here will have his penis cut off because there's no other solution. If you give them advice, they don't take it. You give them pills, they refuse to drink it. So, let's just chop off that thing instead. But the wives will cry over that," he said. Duterte first proposed the three-child policy in the country in 2016.

Boots Anson-Roa returns

to ‘familiar territory’ in Mano Po Legacy

Her sterling, solid acting career, spanning over five decades, has seen Boots Anson-Roa essay varied roles. The veteran actress is adding another familiar and empowering female image to it, with her participation in the upcoming drama series, Mano Po Legacy: The Family Fortune.

“It’s often said that behind the success of every man is a woman,” said Boots. “But in the case of this family, behind the success of the business empire is this woman, Consuelo Chan.”

As a tycoon matriarch, Consuelo cannot easily be ignored in the entire narrative landscape of Mano Po Legacy.

Perhaps, Consuelo’s presence will somehow

push forward the narrative about women in power and women empowerment.

Speaking of career longevity, the actress recalled her father’s (Sampaguita actor Oscar Moreno) advice to her when she was new in the movies. That’s to remain good to everyone and be grateful to those people, from all levels of the industry, who, in one way or another, propelled her career.

“‘Alam mo, hija,’ sabi niya. ‘Kapag ikaw ay papaakyat pa lang sa hagdan, papunta dun sa tinatamasa... na tagumpay, ‘wag mong kalilimutan, higit

sa lahat, yung mga maliliit na nag-ta-tra-baho sa industriya, of course, yung mga kasama mo, bakit hindi, producers, bakit hindi, kailangan ang mga yan, and most importantly, yung mga maliliit.’

“Kasi kapag nanduon ka na sa tuga-tog, sa apex, sa zenith... kapag nanduon ka na, wala ka nang iba pang pupuntahan kundi pababa. Ang pinaka-mahirap ay yung mag-maintain. Like what my father said, so ‘pag pababa ka na, makakasalubong mo din yung same people na nakasalubong mo nuong paakyat ka.”

Definitely, Boots has taken it as a valuable guide to initially make a name for herself and, up to this day, remain relevant.

MOTORCYLIST TRIES TO PICK UP LITTLE GIRL

A Little 10-year-old girl was walking home, alone, from school one day, when a big man on a black motorcycle pulls up beside her.

He asks her, “Hey there little girl, do you want to go for a ride?”

“NO!” says the little girl as she keeps on walking.

The motorcyclist asks again, “Hey little girl, I will give you \$10 if you hop on the back.”

“NO!” says the little girl again as she hurries down the street.

The motorcyclist pulls up beside the little girl again and says, “I’ll give you 20 Bucks “and” a Big Bag of Candy if you will just hop on the back of my bike and we will go for a ride.”

Finally, the little girl stops and Screams Out...

“Look Dad, you bought that Suzuki instead of the Harley ...YOU RIDE IT!!

Alodia Gosiengfiao clears Christine Samson's name over third-party allegation

Online content creator and gamer-cosplayer Alodia Gosiengfiao was quick to clear the air that fellow gamer Christine Samson's departure from Tier One Entertainment is related to her recent publicized breakup with longtime partner, vlogger Wil Dasovich.

Recall that Christine's name was dragged to the issue as the alleged reason for the couple's split.

On Facebook, Alodia wrote: "Sad to see how people are turning this into something else. Just to clear everything out, Christine has nothing to do with my past

“We are proud of what both of them have accomplished as part of the Tier One Fam. We are confident that after their years of growth with us, they have all the tools they need to secure bright careers ahead of them,” they added. “Thank you, Christine and Nami!”

Tier One Entertainment, a gaming, entertainment, and esports organization, is present in 5 countries across Asia.

'Respect others': Edu Manzano reveals key to longevity in showbiz

For veteran actor Edu Manzano, respect is key to having a long career in showbiz.

In a vlog with his son Luis, the older Manzano

stressed that it is important to respect the people you are working with.

"Kailangan mong respetuhin lahat ng tao kahit saan pa sila – ke-extra sila, ke-supporting actor, ke sabihin natin na utility. Pagdating sa aming industriya ang lahat po na tao ay

Asked by his son what he wanted to be remembered in life, Edu said: "He was a good guy." The Manzanos also got candid when they recalled the father's life as an athlete and when Luis came to his life eventually.

E-SABONG from page 1

somebody who is hooked on e-sabong because it is now so much easier to play e-sabong than to go to the physical cockfights.

E-sabong games run 24/7, with as many as 300 games a day from a single operator alone.

E-sabong with GCash, PayMaya

It is so easy, indeed, especially now with GCash and PayMaya, now serving as e-sabong e-payments. This means you can watch the games and place your bets through these channels.

The Duterte administration, mandated this to help the government raise funds for pandemic response.

Regulatory framework

Pagcor, as the regulator, insists that the framework for e-sabong is tough

enough to weed out illegal operators. It also says it is able to generate revenues from the industry. Pagcor says it has already collected more than a billion pesos in fees. The additional revenue “is a great help to the government to aid in its efforts in the COVID-19 pandemic response,” it claims.

It is a P50 billion industry with a job count of 385,000 employees as follows: 200,000 farm workers; 118,000 cockpit personnel; 60,000 poultry store workers; and 6,200 veterinary and feed company employees.

Social costs

The social costs cannot be ignored. Pagcor itself conceded that with quarantine restrictions all over the country, people venture on various activities – like e-sabong to relieve their stress, boredom, and fatigue.

"It advocates responsible gaming, urging players "to bet with money they can afford to lose, to limit their time of play, to avoid playing when feeling depressed or upset, and to never encourage persons below 21 years of age to participate in gambling." Of course this is easier said than done. An industry source said that in real life, some teenagers are hooked.

Mobile Legends is a popular multiplayer online battle arena developed by Kuala Lumpur-based Shanghai Moonton Technology, reportedly with over 500 million downloads since its launch in 2016.

So while the Duterte administration can count the revenues from e-sabong, there's no way we can count the social costs.

For my money, that will be quite significant. And yes, I'm willing to bet on it – pun intended.

Alden sumabay sa sasakyan ng crew

Labing-isang taon na ang pagiging artista ni Alden Richards. Mga taon na nagkaroon ng satsay at kabuluhan. Ang kanyang mga dasal ay nagkaroon ng positibong sagot.

Isa lang ang ikinalulungkot ng Pambansang Bae. Sana'y buhay pa ang kanyang ina para magkasama nilang pinagsasaluhan ang tagumpay.

Makulay ang buhay-artista ni Alden Richards, puring-puri siya ni Senador Bong Revilla.

Kuwento ni Senador Bong, “Kapag tapos na kami sa shooting, nag-uwian na ang lahat, pero naiwan pa si Alden. Hinihintay pa kasi niya ang mga crew. Makikisabay siya sa pag-uwi.

“Napakatagal niyang naghihintay dahil nag-aayos pa ng kable ang crew. Gano’n siya katiyaga, kaya Alden deserves this success,” kuwento ng senador.

Gerald pinagsigawang daks ng direktor

Paano nga kaya nasigurado ni direktor Daryl Yap na daks ang aktor na si Gerald Anderson? At dahil nga sa pambihirang palo-palo nito, super quoted pa ni Yap ang isa sa mga ginintuang aral na diumano ay galing sa seasoned actress Gina Pareno na “DAKS lang ang pwedeng magloko.”

Huwag niyong sabihin na di niyo alam kung ano ang sinasabing “daks” ni direktor Daryl.

Kaya Gerald, ang question of national importance and significance, daks ka ba talaga? Wehhhh!! Asan ang pruweba?

Sheryn Regis: 'I am a lesbian'

Sheryn Regis has come out to admit to a long-whispered speculation. Via **Ogie Diaz**' popular vlog, the singer revealed she is indeed a lesbian as rumored.

She said both her ex-partner Earl Echiverri and daughter Sweetie, know about it.

They are still married, with her daughter living with Earl in the US. In the vlog, Sheryn recounted how she came out to her husband and child.

"Sabi ko sa kanya, 'Tito Earl, I am a lesbian. I'm living a lie. Not just to you, not just to the family, a lie sa sarili ko rin. Kasi dine-deny ko eh, di ko siya pinagbigyan, kaya siguro ako nagka depression, nagkasakit ako, sinubok ako ng buhay. Kaya parang feeling ko, 'Bakit hindi ko sabihin?' Baka, bukas, wala na ako, di ko pa rin ma-fulfill yung gusto ko, na sabihin kung ano talaga ako."

Sheryn then related how her daughter reacted: "'Oh well, I knew it mommy, but it doesn't make you less of a person, it doesn't make you less of a mom,' 'Wag mo muna divorce si daddy, I don't want to be a child without a mom and a dad na magkasama.'"

Sheryn is now in a relationship with YouTuber Mel de Guia.

GOD'S LITTLE PARADISE

Another gem of the Visayas, Bohol's Historical significance extends way back to the blood compact between boholano chieftain sikatuna and the Spanish Conquistador, Miguel Lopez de Legaspi, in 1565.

Scenic Bohol Casts an enigmatic charm drawn from the many archaic mementos spread throughout the oval-shaped island: from the chocolate hills and the tarsier to the 16th century watchtowers and Jesuit baroque mission churches. The Chocolate Hills that abound in Central Bohol, two have been developed into top class resorts.

One of the Rare Faunas found in the Philippine archipelago, the Tarsier is the smallest primate in the world. It is a nocturnal primate measuring from four to five inches, with a tail that is longer than body.

Those interested in tarsier watching are always welcomed by the Boholanos to see the famous primate in its natural adobe up the hills in the town of Corella

A black coral forest is among its main attractions but virtually anywhere you drop in is sure to be rewarding. another major attraction, Cabillao is renowned for the hammerhead sharks that shoal around the clear waters. Large pelagics are very common here. And if you are really lucky, you can find yourself swimming with a passing school of dolphins.

Heart Evangelista on finding 'the right man': 'No formula, you just know'

Heart Evangelista gave fans advice on how to deal with heartbreak and find true love, saying a tough breakup only prepares one for the "right" person.

While breakups may be a tough experience, the actress thinks lost love only leads people to the person they are meant to end up with, she said on her TikTok page yesterday, Jan. 7. She was answering a fan's question on how to find out if the person they are with is the "right man" for them.

"How do I answer this question when I have my husband beside me?" she joked. "I'm very confident to answer the question."

Turning serious, Evangelista stressed that there is no formula to know if someone is right for you.

"Every time you have a breakup, you just cry for one day because it leads you closer to the person you're really supposed to be with," she said. "No formula! You just know."

Evangelista recently showed her appreciation for Escudero through a "best husband video" tribute before the end of 2021. She also earlier said she would be willing to forgive the governor if ever she learned he was cheating on her.

The couple have been married for over six years. They tied the knot in a private ceremony at Balesin Island Club in February 2015.

Alexa Ilacad has this advice on handling 'Marites': 'Don't be enablers'

Actress Alexa Ilacad did not mince words when she reminded her fellow celebrity housemates not to tolerate gossip-mongers, colloquially dubbed as "Marites."

During the "Pinoy Big Brother" Big Celebrity Reunion on Kumu early this week, Ilacad noted how we perhaps unwittingly encourage "Marites" to gossip.

"If we are all good people and if we have that friend who is a 'Marites,' we should not be enablers na lang. Let's just stop them instead of listening and agreeing. Because even if you're not spreading it, if you're enabling it, it's the same banana," the actress said.

This after Madam Inutz discussed her side amid the criticisms hurled against comedian Brenda Mage, who figured in a number of conflicts with fellow housemates, notably Kumu streamer Eian Rances and Ilacad.

"Siguro 'yung pagtambay-tambay namin sa pagkaunupo ako, nandyan

si Brenda, nagkakaroon ng usapan. Napa-oo na lang ako. Hindi nga ako 'yung taong pagka sinabi ni Brenda na ganito ay sasabihin ko naman kay Alexa," the viral online seller quipped.

The actress also said she is willing to forgive Brenda but she will not forget what he had done to her while inside the "PBB" house.

"I forgive but that doesn't mean I forget. I'm just a very forgiving person. But I learned my lessons as well and I now know how to guard my heart and make sure that I'm surrounded by good people," she said.

Brenda has previously apologized for his actions that may have hurt others during his stay inside the famous yellow house.

Brenda Mage finished in the Final 5 of the celebrity leg of the "Kumunity" edition of "PBB." He exited the reality show last January 1.

Singer Anji Salvacion and volleyball player Alyssa Valdez were declared the Celebrity Top 2.

Lyca Gairanod is one of 2021's biggest sensations

Without trying too hard, Lyca Gairanod easily becomes one of the year's biggest sensations. Let us count the ways.

Early 2021 saw Lyca released her first ever single with Viva Records. And while that single, titled "Akala Ko Ba" didn't exactly become a mainstream hit (yet a fan-favorite for sure), it was the gateway to Lyca's collaboration with fellow Viva Records artist Bandang Lapis. Lyca recorded an acoustic version of Bandang Lapis' breakout hit "Kabiling Buhay" on the latter's acoustic themed EP. And when Lyca did a solo version of "Kabiling Buhay" on the popular roving stage platform Wishbus, the song became a viral hit.

Then there's the more recent, "kelan ang birthday mo? November 21...oh my god! Birthday ko yun!" bit with Karen Davila that just went crazy, TikTok viral. Of course, due credit is given to Ms. Davila for her enthusiasm, but Lyca's reaction was priceless and that made all the difference.

Lyca's feet are planted firmly in the ground, if anything, with all the viral things she did this year, she's just glad she's doing what she loves doing.

And as Lyca has proven time and again, she has a knack for doing the right thing at the right time, and people instantly take notice.

And with assurance, Lyca said, "siguro po mas marami pa (na darating). Abangan po nila."

Belle Mariano & Donny Pangilinan, flattered sa title New Gen Phenomenal Love Team

Hindi makapaniwala sina Donny Pangilinan at Belle Mariano sa titulong ibinigay sa kanilang love team – DonBelle – bilang New Gen Phenomenal Love Team.

Ito ang pagpapakilala sa DonBelle sa trailer ng kanilang launching movie na “Love is Color Blind” under Star Cinema. Phenomenal naman kasi ang naging kasikatan ng DonBelle matapos ang hit series nilang “He’s Into Her.” “Honestly, it’s super flattering na matawag ng ganun,” sabi ni Belle.

Dagdag pa ni Donny, “It’s very much appreciated. It’s humbling. We’re just happy. I already had goosebumps watching it now, hearing that pa, dumagdag pa.” Kaya naman labis ang pasasalamat nila sa tinatamasa nilang tagumpay at sunud-sunod na blessings.

“We’re very grateful — we’ll never get tired of saying that. Sobrang grateful lang kami to be given this trust by everyone,” ani Donny. Marami man silang pinagdaanan, masaya si Donny na si Belle ang kasama niya. “It’s been a journey, a rollercoaster ride, and we went through it together. Marami rin kaming pinagdaanan, good and bad, but at the end of the day, we have a movie, and we’re so blessed.” Pinasalamatan din nila ang kanilang fans at supporters. “Hindi po kami mapapagod sabihin ‘yun, we’re very grateful. Just imagine na kahit online lang lahat ngayon, nararam-daman namin ‘yung suporta at pagmamahal nila,” sabi ni Belle.

Kathryn sinungitan si Daniel

Sa kanyang YouTube channel, nagpakatotoo ang Kapamilya actress na si Kathryn Bernardo nang sagutin niya ang ilang impresyon sa kanya ng mga faney. Sa episode kasi na “Reading Assumptions About Me”, isa sa mga in-address niya ay ang public perception na may pagka-masungit siya. “Next is, you are a hot-headed person. Gets mad very easily,” pagbabasa niya. Sandaling nanahimik si Kathryn at tinimbang ang sarili sa nasabing assumption sa kanya.

After a while, saka niya sinagot ang nabanggit na impresyon sa kanya. “Yeah, I think I’m a hot-headed person. Let’s be honest here, mainitin ang ulo ko. Actually, I don’t like that about me. Very impatient ako, especially tayong mga girls, if it’s time of the month. Extra mainitin yung ulo, nai-stress ako. Yung pasensya ko ganito na, liliit pa yan,” paglalahad niya. Gayunpaman, sinabi niya na ang ugaling ito ang isa sa mga kinaiinisan niya sa sarili. “I don’t know bakit ganyan, alam kong hindi siya maganda. Pero may mga days na mabait naman ako pero pag ‘yung time of the month na yun, girl wag mo talaga akong pikunin kasi magiging dragon talaga ako,” paliwanag niya.

Umani naman ng paghanga ang aktres sa kanyang pagpapakatotoo sa kanyang followers. May ilan namang nagsabing tiklop si Daniel kapag sinusungitan siya ni Kathryn.

Ces Drilon ventures into acting in a BL series

Broadcast journalist Ces Oreña Drilon readily laughed it off when asked if she was

“Stress Drilon” this pandemic. Her name was apparently turned into an adjective by people who are fond of coining new words from names of popular people. After she was retrenched last year from ABS-CBN, following the closure of the network, Ces pursued her other interests. Recently, Ces also ventured into acting and gave her nod to star in a BL (Boy’s Love) series, Love Team, where she plays mom to young actor Ali King. The new series directed by Jade Castro, is a follow-up to last year’s Boy’s Lockdown, with Alec Kevin and Ali King. Ces discloses she has no big expectations in her first acting salvo in a BL series. “It’s not like I’m going into an acting career. I just want to try new things.”

Her close friends readily commented after watching the teaser. “Huwag overacting,” Ces was told. Thankfully, Ces no longer has the same restrictions as before, when she was still employed at ABS-CBN. “We cannot appear, we cannot do this and that. We cannot do product endorsements. When this offer came, I thought why not? It looked like a lot of fun.

Not surprisingly, Ces is always busy now. “I feel so energetic, so inspired and full of ideas, 24 hours in a day that’s not enough.

Arjo naseksiha na konserbatibo si Maine

Sa isang panayam kay Arjo Atayde, sinabi ng Kapamilya actor na siya raw iyong tipo ng taong clingy pagdating sa pakikipagrelasyon. Para sa kanya, ang love raw ay isang salita lamang na madaling sabihin pero nasusukat

lamang kapag tinutumbasan na ng gawa. Naniniwala kasi siya sa kasabihang “Action speaks louder than words.” Aniya, ipinakikita raw niya ang kanyang pagmamahal sa girlfriend na si Maine Mendoza sa pamamagitan ng pag-i-spend ng quality time rito. Lab daw niya ang company ni Maine at lagi niyang nilo-look forward na makita ito. Bet din niya ang pagiging conservative ni Maine sa pananamit. Para kasi sa kanya, conservative is sexy.

Rayver Cruz on getting into a new relationship: 'Hinay-hinay lang muna'

Rayver Cruz has finally spoken up about the current status of his love life, months after his split

with actress Janine Gutierrez.

Cruz shared his thoughts on getting into a new relationship after being asked by show host Pokwang in a game segment of "All-Out Sundays," as seen on GMA Network's YouTube channel yesterday, Jan. 3.

"You know what, guys? Hinay-hinay lang muna (Let's take it slow)," he said.

After blurting out his answer, Cruz then changed the topic in a playful manner and exited the game as he lost to his fellow celebrity player, Julie Anne San Jose.

Meanwhile, San Jose was also asked about having a "limitless" love life, to which she answered, "We will see. God knows."

Cruz and San Jose cohost GMA's "The Clash" and have worked together in San Jose's digital concert "Limitless Part 2: Heal." Though their closeness is being teased by fellow celebrities and fans, San Jose asserted that she only has a good working relationship with the actor.

NEW LOVE TEAM? Albie Casiño, Shanaia Gomez go on 'sisig' date

Shippers of ShaiBie, composed of former "Pinoy Big Brother" housemates Albie Casiño and Shanaia Gomez, are going gaga!

This after their idols shared on their respective social media accounts a glimpse of their "sisig date."

In a video uploaded by Albie, he could be heard talking to Shanaia, who was seated in front of him and happily posing for the camera, while they were in a restaurant.

"Are you ready to try sisig?" asked Albie.

Recall that a few weeks ago when the 28-year-old hunk actor invited the 19-year-old Kapamilya singer on a "sisig" date.

During the "PBB Kumulitan," Albie then asked Shanaia if she's still down to try it. Shanaia gamely accepted Albie's challenge.

"Yeah, of course, but I don't think I'll like it but, yeah, I mean, I will take your word. We'll

see, we'll see. I don't like kasi the feeling of the sisig. I don't know why, the texture is kinda weird," she said.

But Albie reiterated that Shanaia just needed to try one good sisig.

"I told you, like, you can't trust the one we made inside the house, bro," he related.

Meanwhile, a few days later, Albie admitted his feelings towards Shanaia via an interview with "Star Magic Inside News."

"Totoo naman, she's a pretty girl. Attracted ako sa kanya," he revealed. "Crush ko naman si Shanaia but sa mga nakikita ko, masyado pa siyang bata, and to be honest, it's kinda weird. I don't want her to feel pressured na she has to like me cause of the fans."

Karen Davila slams basher

Seasoned broadcast journalist Karen Davila recently revealed that her family caught COVID-19.

Karen reiterated that she's "extremely grateful" that while taking care of the kids, she was still able to do her talk show in the mornings.

Instead of commiserating, a netizen thought it best to blame her for their predicament relating how all "she does is travel and go out with her family to boracay..."

Karen immediately responded to the comment. "all she does??? Dude, I've been a full time working mother all my life. Don't you dare make mothers feel guilty for wanting a vacation & wanting to spend time with their kids. Get a life man!," she replied. "Dude, it's 2022," she added.

Karen would go on to re-post "No to COVID shame." "It's okay if you tested positive, you will get better. Let's protect ourselves and the community," it read.

Karen shared her two cents as well, writing:

"Don't hide it. Share it. Work on it together as a community."

She reminded her followers of importance of getting jabbed.

"GUYS. The vaccines work! We are living proof. Get your shots. Get your boosters NOW. Do this out of love for yourself & your family this 2022."

Vivamax introduces fresh tandem in girl to girl romance 'Lulu'

The series introduces sultry actress Rhen Escaño (Adan, The Other Wife, Paraluman) as Sophie and newcomer Rita Martinez (The Voice Philippines Season 2) as Abi.

Composed of eight episodes, Lulu shows how Sophie and Abi handle their relationship as exes come back, old pains resurface, and secrets are revealed

"I conceptualized the story of Lulu a long time ago and I was just waiting for the right time to proceed with scriptwriting and make the story come alive on screen," the director said.

"I wanted Lulu to be light. I want to focus on the individual struggles of the characters, love is secondary. And it will come naturally. Of course, we will tackle 'yong mga issues pero very, very subtle. It's more of an everyday life ng lesbian community."

Through this series, Bernardo wants viewers to know the fun side of lesbian women.

"Masayahin din sila," she reiterated.

Lulu streams on Vivamax on Jan. 7, new episodes will be dropped every Friday.
